Short Office Note.

Subject Letter No 54 dated the 20 October 1902 from the President o the Municipal Commission, Mysore C in regard to the purchase of a steam roller by the Municipality.

Note

At the suggestion of M Anniah Pandit, the Mysore City Municipal Board propose to bu a steam roller at a cost of Rs 5000 f out of the "Municipal Reserve Fund".

2. In submitting the Boards' resolution to Government for favourable consideration, the President observes th as there are about 80 miles of large roads in the City, the employment of a steam roller is likely to result in a great saving in the amount set apart for consolidation, and that

According to the sanctioned
Budget the closing balance at the
credit of the Municipality is Rs 21,000.
This is liable to be considerably re-
duced as the Board have recently
proposed to set apart Rs 500/- for
giving windows free of cost to
poor people living in ill-ventilated
houses in the city, and to provide Rs 3
for the travelling allowances to the Vice-
President and the Municipal Engineer
who very often go to inspect Belago
Water Works.

I have the honour to submit for the favourable consideration and orders of Government the accompanying copy of the resolution of the Board anent the purchase of a steam roller. In the Municipalities of the Civil and Military Station and of the City of Bangalore, steam roller is employed for consolidating the roads. Such a course is found to be not only economical, but the work turned out is better. As there are about 80 miles of large roads in this City, the employment of a Steam roller is likely to result in a great saving in the amount set apart for consolidation. The initial cost is no doubt high, but the Board are of opinion that in the course of a few years the saving effected would more than repay the initial outlay. This amount may kindly be sanctioned out of the General balance.
